Description:

The FEST commercial stand mixer is a 5L/7L/10L-sized powerhouse that can whip up everything from whole-wheat pancake batter, to oatmeal cookies, to fluffy egg whites with ease. Whether it is sweet or savory treats you crave, this entry-level mixer will do the job.

√ 3 in one: heavy weight automatic commercial mixer easily detaches from the base for extra mixing versatility to tackle any baking recipe.

√ Mix with ease: with 500W watts rated power and 3 adjustable speeds, you can tailor your kitchen mixer to take on any task at hand, from a fast whip to a slow stir.

√ Comfort and control: bowl rest feature allows the hand mixer to sit on the edge of the bowl to eliminate messy drips. The shift & stir feature rotates the bowl for thorough mixing.
